## President's Pieces

Hello fellow quilters.

Here it is, September again!! It seems like only last month that we were celebrating the end of the club year with our sumptuous pot luck supper. You would think I would have spent most of the summer heat in my basement quilting room, cutting and piecing away, but somehow, quilting and hot weather don't go together in my mind! With the colder weather over the last few days, my excuses for not getting down into my basement sewing room have disappeared, and I have been a very busy lady, cranking out three charity quilts.

The first quilt is for Brenda McHale's CASA (Court Appointed Special Advocates) project. The story of the little boy who became ready to face the judge after he put one of our quilts over his head touched me deeply. Having two grandsons, boy's quilts just touch my heart, so whenever I can, I buy race cars instead of posies and basket balls instead of Disney princesses.

The second quilt is for a gentleman and here comes true confessions... When I was reorganizing my quilt room and stash, I came across a plastic baggie with a number of precut blocks in it. I felt so embarrassed that I had taken a charity quilt baggie (and who knows how old it is) and never got around to doing anything with it, that I decided then and there, that not one stitch on the quilt I am

making for my grandson would be stitched until I finished the entire charity quilt, batting, backing, and binding.

Then, I felt so good about the second project, that I cut out another quilt for a gentleman using up some of my stash. That one I am still working on, but I am determined to have it done before the September meeting. This one has a Southwest influence.

We are a great club when it comes to charity, and have a long history of doing far more than other groups for the American Cancer Society, Bivona House, CASA, Meals on Wheels, Irondequoit Food Cupboard, and Shorewinds Nursing Home, to list a few. We have members who make quilts for special projects for a whole host of charities without a word about what they are doing. Sometimes our members work individually, sometimes in small groups, and this is what makes our club so special. Cheryl Bond and I were talking at one sew night as I was cutting out blocks for charity quilts, and she told me that the reason she is a member of this club is because of the amount of work we do for charities!

We have a great year planned. Great programs, great sew nights and days, great retreats, great bus trips, great shop hops, great food, and great camaraderie. Great programs and great activities need one thing – for everyone to become truly involved and “make work light.”

- Penny

## **Secretary's Scraps**

As we prepare to start fresh with the 2011 – 2012 year for IQC we ask that you check your book shelves, under your stash, and around your favorite reading spots for any Club library books. It will help Marcia “balance the books” so to speak in ensuring that all of our reading materials are accounted for and will allow other members to discover the book you’ve enjoyed so much. Thank you for your help in keeping our library whole.

Our first meeting of the year is September 26<sup>th</sup>. At this meeting, please be sure to bring in your dues payment. The dues are \$20.

If anyone is aware of more quilt shows please send me the information so I can include it in the newsletter. Thank you!
